

Attachment 1

American Transmission Company

Scope of Green Tier Application

American Transmission Company LLC and its corporate manager, American Transmission Company Management Inc, collectively referred to as American Transmission Company (ATC) make application to the State of Wisconsin, Department of Natural Resources under the state's Green Tier Program to cover all of ATC's electric transmission line projects that will require approval of the Public Service Commission of Wisconsin, or those with an expected cost of \$5,000,000.
